

Creative Sewing Center

Machine Mastery Series ✂ Revised 12/6/2010

Reservations are required. Cancellations are requested as we have a waiting list for many classes. If you have an e-mail address we will be sending reminders for some classes. We will always over book the class. Please arrive early. If you are unable to attend these classes at the scheduled times you should work with your salesperson in a one-on-one basis to become comfortable with your machine.

Machine Mastery classes are open to Bernina and Brother machines only purchased at CSC

Please talk to Terry for other arrangements

Machine Mastery #1 for all machines FREE with purchase at CSC

3 Hours in which you will learn basic operation, needles, threads, proper maintenance, general sewing, needle position & almost all the uses of straight stitch.. This is to include a zipper bag. We provide basic Metrosene sewing thread, some of the fabric, stabilizers and special handouts for the class. You will need to provide the items on the supply sheet for the special parts of the class. These can be found at www.creativesewingonline.com

Machine Mastery #2 for all machines FREE with purchase at CSC

3 Hours in which you will learn applique, zigzag, overlock, blind hem, buttonhole and other sewing techniques which use the zig zag changing attributes of your machine. We provide most of the fabrics and stabilizers for the classes. You provide thread from the last class, applique thread, selected fabric and a button for the class. You will be making a cute scissor bag decorated with the skill building techniques you learn in this class. You will need to provide the items on the supply sheet for the special parts of the class. These classes can be found at www.creativesewingonline.com

Make sure that you click on the class on the website and find out which classes are available to give you more information on your machine.
