2010 Summer Serger Classes

Laurel's Summer Serger Mania Miyake Shirt &

Monday June 21 & 28 1:00-3:00 Laurel \$25.00 for 2 days

Bring an extra large men's shirt and a few wonderful pieces of cotton to create a fabulous designer shirt. Laurel loves serging garments and so will you with these great tips and techniques. This is the first in a series of shirt and garment classes using decorative thread, scrapes and recycled clothing.. Learn your serger this summer.

Laurel's Serger Mania Fat Quarter Shirt &

Monday July 19 & 26 1:00-3:00 Laurel \$25.00 for 2 days

Bring 10-12 fat quarters or four to five 1/2 yard pieces and a basic pull on shirt pattern to start an adventure with fabulous serger threads. You will love using your serger to create shirts and garments that show off your fabric choices.

Laurel's Serger Mania Flipped Facing Shirt &

Monday August 9 & 16 1:00-3:00 Laurel \$25.00 for 2 days

Using some of your favorite fabrics for the main shirt body and contrast fabric for the facings make a great shirt using decorative serger thread. You will enjoy all of the things that you are learning in these serger classes.

Coverstitch and Decorative Threads &

Tuesday July 6 1:00-4:00 Ida

This Coverstitch Class is FREE for owners of Coverstitch machines purchased at Creative Sewing Center. Make sure your serger has a Coverstitch capability. You must have taken Serger Mastery prior to this class. You must be comfortable with your serger. Bring the serger totally un-threaded. You will be starting from scratch.

Serger Mastery Classes &

Saturday July 24 10:00-1:00 Ida

FREE IF PURCHASED AT CREATIVE SEWING CENTER

Serger in good working order. This class will not fix a broken serger. Bring your foot control, cord, all accessories that came with the serger and the following list of supplies will help you feel comfortable in class. The class will cover Tips and Tricks for the seasoned and beginner serger owner including basic threading, lubrication, and cleaning. Learn inside corners, outside corners and rolled hemming on your serger. Learn the best ways to plan your construction.
