

**MOTIF APPLIQUÉ CLASS USING
THE MULTIHOOP TECHNIQUE**

Supply List

- *Book: Motif by Jeri Kelly
 - * Fabric Kit
 - *Thread to match various appliqué shapes in pattern
 - See Note on Right
 - * Pressure Sensitive Adhesive Stabilizer (e.g. Aquamesh Plus or Stabil-Stick)
 - * Lightweight Iron-On fusible web
 - * Lightweight Batting (e.g. Warm and Natural)
 - * $\frac{1}{2}$ " Double Sided Fusible Tape (e.g. Steam-A-Seam Double Stick)
 - * Two-3/4" Buttons
 - *Appliqué Scissors
 - *Blue Painters Tape (3M brand is recommended)
 - * Alcohol Prep Patches
- This will be used to clean embroidery needle of sticky stabilizer residue. These are similar to those used in medical offices to swab skin areas before giving a shot.

Embroidery Thread

I recommend one color of embroidery thread for these wall quilts instead of matching the various colors of the appliqué shapes in the pattern. Black is a good choice as it mimics an outline in a drawing.

Participants must purchase *Motif* by Jeri Kelly and bring it to the first class. If the book is out of stock, a receipt that you have purchased it will be sufficient.
